

SYLVIS is an established and rapidly growing environmental consulting and contracting company that specializes in residuals and solid waste management. SYLVIS is composed of professional team members committed to providing our clients with the highest level of value-added service. We actively encourage and assist team members to further develop their ability and advance in the company.

Responsibilities

Your role will be the Operations Manager for all of our operational projects. Leading the operations team, you will manage and oversee all operational projects undertaken at SYLVIS.

Reporting to the President, you will undertake negotiations and liaison with clients, plan, manage and deliver operational projects, prepare budgets, appoint and manage contractors and undertake staff reviews. You will work with the President to set goals and objectives, and accountable for meeting these targets.

Experience and Qualifications

- You have at least five years experience of leading an operational team, ideally in residuals management, environmental or bulk material sectors
- You are educated to degree level. Ideally you will possess a professional designation (e.g. PEng, RPBio, PAg)
- Project management qualifications will be a significant asset
- You have excellent leadership, negotiation and decision making skills
- You have experience in managing contracts and contractors
- You have a can do attitude and a desire to excel
- You are willing to travel (including a valid BC driver's license)
- You have strong computer skills including Word and Excel

SYLVIS offers a healthy, fast-paced, team-orientated work environment, a commitment to ongoing professional development and a generous benefits package. SYLVIS emphasizes professional integrity and the highest work quality that continues to exceed our client's expectations.

The salary for this role will be commensurate with experience and qualifications, plus enrollment onto the SYLVIS benefits package.

This position is based in New Westminster (though travel will be expected) and will be filled once a qualified candidate is found. The first review of applications will occur on the week commencing May 4, 2009.

To apply, please send a cover letter and resume to the address or e-mail below (please place the position title "Operations Manager" in the subject line):
